

CORPORATE CIRCLE

AQUARIUM OF THE PACIFIC

We invite you today to become a part of the Corporate Circle and become an essential partner in the Aquarium's mission.

A distinctive group of business leaders, our Corporate Circle Members provide key support to the Aquarium's world-class conservation and education programs. In appreciation, the Aquarium provides many exclusive benefits for a full year. Members receive complimentary admissions, behind-the-scenes tours, priority scheduling for corporate events, opportunities for employee engagement, public recognition of your business, and additional benefits.

## A Vital Mission

The Aquarium of the Pacific is the key voice and storyteller for the Pacific Ocean, with a mission to instill a sense of wonder, respect, and stewardship for the Pacific Ocean, its inhabitants, and ecosystems. More than 12,000 animals in 100 vibrant exhibits inspire wonder and spark conversations about sustainability, empowering our visitors to imagine a bright future for our ocean planet. Key to our mission is providing science education to students of all ages, expanding opportunities in ocean science for groups traditionally excluded, engaging in endangered species recovery, and more.

Please contact the Corporate and Foundation Relations team at 562.951.1674 for more details.

# Corporate Circle Membership Benefits
